**AMS30**

Locknut socket adapter for precision locknuts AM

adapter for precision locknuts AM

## Informacje techniczne

**Dimensions**

|    |       |                                |
|----|-------|--------------------------------|
| D  | 45 mm | Outside diameter               |
| h  | 15 mm | Height                         |
| d  | 35 mm | Bore diameter                  |
| B  | 5 mm  | Groove width                   |
| b  | 5 mm  | Bore diameter through hole     |
|    | H11   | Bore diameter through hole fit |
| c  | 5 mm  | Distance bore                  |
| t  | 2 mm  | Groove depth                   |
| ≈m | 69 g  | Masa                           |

**Additional information**AM25, AM30,  
AM35/58, AM30/65
