

ARCALUB-X.TUBE-8.6/4.1-HP-25M [🔗](#)

Hose

High-pressure hose for lubricator

Informacje techniczne

Dimensions

D 2	4,1 mm	Diameter sealing
-----	--------	------------------

≈m	1.153 g	Masa
----	---------	------

Technical data

High-pressure hose with a multilayer construction, unfilled, black	Type
--	------

D 1	8,6 mm	Diameter
-----	--------	----------

R min	60 mm	Minimum bending radius
-------	-------	------------------------

PA6, PED, PU	Material
--------------	----------

t op	-40°C...+100°C	Operating temperature
------	----------------	-----------------------

Main Dimensions & Performance Data

L	25 m	Length
---	------	--------
