

## KIT.RWU45-E-A-OS-420 [🔗](#)

### Accessory kit

Sealing and lubrication elements KIT for RUE..

## Informacje techniczne

### Twoja aktualna wersja produktu

|                               |     |                              |
|-------------------------------|-----|------------------------------|
| Size                          | 45  |                              |
| Suffix                        | E   | Suffix                       |
| Suffix code (retrofitability) | OS  | Retrofitting by the customer |
| KIT-number                    | 420 | KIT end number               |

### Main Dimensions & Performance Data

|                |          |                         |
|----------------|----------|-------------------------|
| K <sub>1</sub> | M4x45    | Screw K1                |
| L <sub>S</sub> | 2,2 mm   | Dimension screw K1      |
|                | S 2,5    | Hexagon socket screw K1 |
| S              | 20,25 mm | Dimension               |
| ≈m             | 120 g    | Masa                    |

### Degree of contamination

|     |                                                      |
|-----|------------------------------------------------------|
| Yes | KIT suitable for very slight degree of contamination |
| Yes | KIT suitable for slight degree of contamination      |
| Yes | KIT suitable for moderate degree of contamination    |
| Yes | KIT suitable for heavy degree of contamination       |

### Related products

|     |                        |
|-----|------------------------|
| Yes | KIT can be retrofitted |
|-----|------------------------|

### Increase of displacement

|     |                                            |
|-----|--------------------------------------------|
| Yes | With closed off upper relubrication hole   |
| Yes | Large increase in displacement force [+++] |
